

# Do you live in Thomas, Wallace, Sherman, Rawlins or Cheyenne Counties?

## Win \$1,000 for your school!

Here's how:

**Step 1: Go to:** [bit.ly/LiveWell\\_Our Tomorrows](http://bit.ly/LiveWell_Our Tomorrows). Share a story, only a couple of sentences are needed. Discuss the quality of life in your community!

**Step 2: Tell us** what the story means to you by answering a few questions about it.

**Step 3: Submit** the shared story! All answers are kept confidential and anonymous.

In Northwest Kansas, we all have stories to share about our lives that could help shape programming in our communities. We're looking for stories about the everyday struggles and successes that impact you, your friends, and family.

**The first county to reach 100 stories receives \$1000 toward their school district!**

There are other ways to win for other counties who reach 100 stories!
