

Please Welcome Dr. Benjamin Bosen

Dr. Benjamin Bosen, DO began his medical career began at Rocky Vista University College of Osteopathic Medicine in Parker Colorado. He then received full spectrum family medicine training and board certification in family medicine at the North Colorado Family Medicine program in Greeley Colorado. As part of this, he did a rural training track which focused on training doctors to work in rural locations and hospitals.

Dr. Bosen's training and interests include primary care from pediatrics to geriatrics, hospital medicine, emergency medicine, obstetrics and musculo-skeletal problems. He specifically trained as an osteopathic physician to learn Osteopathic Manipulative Therapy or OMT. He views patients as people and not medical problems. He treats each person as a unit of body, mind and spirit. He emphasizes patient education and shared decision-making. He will be starting at the clinic on Nov. 4, 2020.

To our facilities and community!!
