

You'll find these signs on our doors - they are designed to keep our Community healthy and safe.

If you think you have been exposed to COVID-19 and develop a fever and symptoms, such as a cough or difficulty breathing, call your healthcare provider for medical advice.

Patients or visitors exhibiting any of these symptoms MUST be screened over the phone prior to entering this facility. This will help us to take steps to keep other people from getting infected or exposed.

Hospital Visitors will be Only 'Immediate' Family and no children under age 12 will be allowed and they will be screened.

If you have not been screened over the phone, please call your destination for telephone screening and follow the instructions given to you over the phone.
