

Please Welcome Steve Allen, PA-C

Steve Allen, grew up in a small town north of Kansas City until joining the military at 19. After 7 years in the Air Force working in law enforcement he decided to separate to pursue a career in medicine. He attended Kansas State University for a degree in nutrition before going to University of Missouri-Kansas City to earn a degree in medical science. He has always known his desire to work in rural medicine since before attending PA school. His hobbies are hunting, carpentry and music. His first day at the clinic is Monday, Oct. 26.

To our facilities and community!!
